

Car Line Instructions

Starting on Tuesday, September 8th we will start outdoor dismissal. The teachers are sending home a car ride sign with instructions. Please put the car sign on your visor, so that the teachers know who will be getting into your vehicle. If someone else is picking up your child, please give your car sign to them. If a grandparent needs a sign (or others) please come and see me about extra signs.

This will make pick-up more organized and more secure. Thank you for your cooperation to make our school a better environment for everyone.

Mr. Ron Merrill
