

This Week's Scripture Reading

John 17:11-19

Recently married couples often turn into matchmakers on behalf of their friends. The newlyweds find life together so fulfilling that they want everyone to enjoy the same unity. Secure in each other's unconditional love, they wish the same joyful anchor for others.

Jesus' well-known prayer for unity among his followers sprang from a similar reality. He asked his Father "that they may be one, as we are one" (John 17:11). Jesus wanted everyone to experience the same kind of unity that came from his own mutual love for the Father.

This love is not exclusive. A newlywed wants each friend to find a lover like his or her own new spouse but is, of course, unwilling to share that spouse. Our divine Lover, however, can enter into an intimate relationship with every human being without being unfaithful to any other. And what's more, intimate union with him makes all who love him into lovers of each other.

Consider a family of thirteen children who recently buried their mother. This woman was never too busy to welcome one more child into her home, not only those who were born into her family but the friends they frequently brought home. No one felt shortchanged when their mother reached out to someone new; there was plenty of love to go around!

God, too, has room in his heart and at his table for many more children. He is the perfect spouse, the answer to everyone's deepest longings. So how diligently are we scouring the highways and byways for new guests? How eagerly do we present the "match made in heaven"? How warmly do we welcome those Jesus is drawing into his family? Are we willing to let them linger among us long enough to taste the love that Jesus has given us—a love that keeps reaching out to others?

"Jesus, you have drawn me into your intimate union with the Father and the Spirit. Open my eyes to those around me whom you now want to draw into the same life-changing fellowship of love."

A MESSAGE LEST WE FORGET THOSE WHO DIED FOR US:

They died for liberty—they died for us. They are at rest. They sleep in the land they made free, under the flag they rendered stainless, under the solemn pines, the sad hemlocks, the tearful willows, the embracing vines. They sleep beneath the shadows of the clouds, carefree alike of sunshine and storm, each in a palace of rest. Earth may run red with wars—they are at peace. In the midst of battles, in the roar of conflicts, they have found the serenity of death. They died so that we may live. Let us never forget. Let us honor them always by protecting and respecting the freedom of others.

Eternal rest grant unto them, O Lord. Let perpetual light shine upon them.

Nativity Church will be celebrating two liturgies on Memorial Day, May 29, 2006, at 7:00 a.m. and 8:00 a.m. in the Chapel.

Prayer for Our Nation

God Our Father, Giver of Life, we entrust the United States of America to Your loving care. You are the rock on which this nation was founded. You alone are the true source of our cherished rights to life, liberty and the pursuit of happiness. Reclaim this land for Your glory and dwell among Your people. Send Your Spirit to touch the hearts of our nation's leaders. Open their minds to the great worth of human life and the responsibilities that accompany human freedom. Remind Your people that true happiness is rooted in seeking and doing Your will. Through the intercession of Mary Immaculate, Patroness of our land, grant us the courage to reject the "culture of death." Lead us into a new millennium of life. We ask this through Jesus Christ Our Lord. Amen.

Wear Red for Pentecost!

It is traditional for Catholics to wear something red when they celebrate Mass on Pentecost. Red is the color of the Holy Spirit, who descended on the disciples in Jerusalem and empowered them to out and preach the Good News. We consider Pentecost to be the "birthday of the Church." So wear something red next Sunday, June 4th!

Loved One Serving in the Military

O God, we beg you to watch over those exposed to the horrors of war and also to all the spiritual dangers that they encounter in their service. Give them such a strong faith that nothing may ever lead them to deny it or fear to practice it.

O Lord, fortify them against the contagion of bad examples so that, being preserved from sin and serving you faithfully, they may be ready to withstand all suffering, even death, if it should happen.

Sacred Heart of Jesus, inspire them with sorrow for sin and grant them pardon. Mother of God, be with them, and, if they should be called to make the supreme sacrifice, obtain for them that they may die in the grace of Your Divine Son. St. Joseph, pray for them. May their guardian angels protect them.

2006 LEGISLATIVE REPORT (Final)

May 15, 2006

For additional information and the complete bill text of any bill listed on this report, please visit the websites of [The Florida Senate](#) or [The Florida House of Representatives](#).
www.flacathconf.org

BILLS PASSED – ENROLLED – SENT TO GOVERNOR

Certificate of Birth/Stillbirth - SB 746 (Wise): Titled "Katherine's Law" in recognition of the child whose parents testified at committee hearings to urge legislators to pass this bill, SB 746 requires notification of the availability of a "Certificates of Birth Resulting in Stillbirth" to parents whose child had reached at least 20 weeks of gestation and was stillborn. Only the parent may apply for this certificate and the bill also authorizes the Office of Vital Statistics to receive filings of birth certificates of live births or certificates of death or fetal death electronically from the local registrar.

Biomedical Research - HB 1027 (Hasner): Directs \$120M in state spending for biomedical research in Florida over 4 years. The bill revises the method for appointing members to groups that direct state biomedical research funding and establishes the William G. "Bill" Bankhead, Jr., and David Coley Cancer Research Program within Department of Health. The bill does not explicitly endorse nor prohibit funding of experimental research that involves destruction of live human embryos. All attempts to amend the bill in that regard failed. (The full Senate narrowly defeated an amendment that would have endorsed donation of embryos to the state for experimental purposes that would destroy the embryo.) A clear state policy prohibiting state funding destructive embryo research (which lags far behind other stem cell research avenues) is still needed.

BILLS THAT DIED

Death Penalty/Unanimity of Jury - HR 1627 (Kyle): With no similar measure filed in the Senate, HR 1627 stated that the House of Representatives believes the public policy of this state should be that unanimous jury recommendations should not be required in death penalty cases despite the Florida Supreme Court's recommendation that the legislature should amend the death penalty statute to require unanimity in the jury's recommendations.

Florida Gulf Coast University/Stem Cells - HB 751 (Kreegel) & SB 1352 (Aronberg): Provides \$32M to establish Florida Gulf Coast University Institute for Stem Cell Biology. The bill directs that only human adult stem cell, human umbilical cord stem cell and animal stem cell research will be conducted at the institute, which are viewed as both ethical and productive forms of research.

Marriage Enrichment

The Diocesan Office of Marriage and Family Ministries will present a series of **Marriage Enrichment Workshops**. Each session is presented by a marriage and family therapist from 9:00 a.m. to 12 noon at the Pastoral Center in St. Petersburg.

Session 1 – June 10 – Communication Skills

Session 2 – June 24 – Family of Origins

Session 3 – July 8 – Blended Families

Session 4 – July 22 – The Many Moods of Marriage

The cost is \$25.00 per couple per session. To register please contact the Office of Marriage and Family Ministries at 727-341-6847 or email the office at familylife@dosp.org.

Nativity School Reunion

Nativity Catholic Church will host a reunion Mass and reception June 3rd, 2006 for all alumni and their families who graduated or attended Nativity Catholic School in 1996 or earlier years. Mass will be celebrated in the Church at 4:00 p.m. with a

Summer Volunteer Opportunities

Metropolitan Ministries needs your help. Volunteers can help in many ways, from simple, one time tasks to ongoing projects. Help us work toward fulfilling our mission to alleviate suffering, promote dignity, and instill self-sufficiency as we continue to serve poor and homeless families in our area. Your assistance will be greatly valued. Currently our needs are:

- 10 volunteers every day, ages 16+ to help with the kids during our summer camp beginning May 30, 2006, Monday – Friday, 8 a.m. to 5 p.m.
- Volunteers ages 18+ to attend field trips with the children every Wednesday in June and every Friday in July.
- Three groups to build three sets of lockers for the school-aged children at Metropolitan Ministries as the kids have no place to put their belongings.
- Volunteers on July 18 & 19 to help with our Back-to-School event.

Please contact Cristen Vaughan, Coordinator of Volunteer Services, if you are interested in any of the volunteer opportunities at 209-1006 or you may send her an email at christen.vaughan@metromin.org.
