

Food Pantry Needs

Nativity Food Pantry is in need of new or clean, used paper bags. Please let us know if you have a source that would donate these regularly. We need about 75 per week. If you choose to donate used (or new) bags, please bring them to the Social Hall on Thursday between 9:00 a.m. and 12:00 Noon or call 707-1523 to make other arrangements.

Nativity Food Pantry is also in need of meat donations or a source to purchase at a greatly reduced price. We are providing food to 125 to 135 families per week. Please call 707-1523, if you have any sources or strategies to share.

Thank you for all of your help.
