DONATE TODAY

What We Do:

Encourage those who are post abortive to seek God's help to face the hurt, and experience healing and peace. Project Rachel is a program of reconciliation and healing.

What We Offer:

- Referral to a priest sensitive to your particular needs.
- Referral to a professional counselor trained to help you sort through unresolved feelings and conflicts.
- A lay companion who will meet with you to work through your past experience using the HEART (Healing the Effects of Abortion Related Trauma) program.
- Rachel's Vineyard Retreats offered 4 times a year to help you heal with others who are also dealing with the pain of an abortion. The retreat is a safe place to renew, rebuild and redeem hearts broken by abortion. Go to our website at www.rachelsvineyard.org for more information.

Who We Serve:

Anyone who has been impacted by an abortion decision:

- Mothers
- Fathers
- Grandparents
- Siblings
- Friends
- Medical professionals

Our Service Area Includes:

Hillsborough, Pinellas, Pasco, Hernando and Citrus Counties

If you want to help:

Donations for scholarships to assist individuals to attend the retreats are always needed. Additionally, volunteers are needed to assist with the lay support component of the program.

If you have been involved with an abortion, our Church, sharing your grief, wishes to reach out to you in love and support. Abortion is traumatic. For anyone involved in such a decision there can be a complex series of emotions and feelings – anxiety, pressure, panic, guilt, grief or loss.

No judgment...no pressure, just Christian love and guidance. Take the first step and call.
