

## Attention all NCS Parents!

As you know, one of the requirements needed before you can volunteer is to obtain and successfully pass a Level II background clearance. We have wonderful news to share -- the fingerprint machine is back at Nativity!

Appointments are now being made for October. If you need this requirement, then please register online at <http://dosp.sofn.net> and follow the instructions provided.

This site will also allow you to make your appointment. Please select Nativity Catholic Church as the fingerprint location and choose a day/time that is convenient for you. At the end of the registration, please print the barcode and bring with you along with your ID to your appointment.

If you have any questions, please contact Kathy Damico at (813) 681-4608 ext. 2226.
