

Diocese of St. Petersburg

Policy for the Protection of Children and Vulnerable Adults

(Revised and Approved May 2006)

I. INTRODUCTION

The Diocese of St. Petersburg is committed to the well being of those served by the Church. The People of God have a right to be able to trust those who minister to them in God's name. The violation of this trust through any sexual abuse by Church Personnel is a source of great pain, for those involved and for the entire Church community. The Diocese published its first policy for the protection of children and youth on June 10, 1991, which required both employees and volunteers, who work with children and youth in any parish or Catholic School program to complete written employment applications for service with accompanying references. The following year on April 15, 1992, the diocese required background screening and fingerprinting of all employees who have the care, responsibility, and or supervision of children and youth.

In July of 1997, the Province of Miami required all dioceses to add vulnerable adults to the protected classes of children and young people. Background screening, reference checking, fingerprinting, and written employment and volunteer applications were now required of those wishing access to children, young people, and vulnerable adults. In June of 2002, the United States Catholic Conference of Bishops (USCCB) adopted the *Charter for the Protection of Children and Young People (Charter)*, which required background screening and Safe Environment Program training for all who may have the care, responsibility, and or supervision of children and young people. The US Conference of Catholic Bishops (USCCB) obtained recognition for the *Essential Norms for Diocesan/Eparchial Policies* dealing with allegations of sexual abuse of minors by priests or deacons in November of 2002. The Diocese of St. Petersburg revised its policy to comply with the *Charter* and the *Essential Norms* during December of 2002. The diocese publishes this revision of its current policy in response to a revision of the *Charter* in 2005 and as part of a continuing commitment to its gospel and pastoral responsibilities. This revised policy in combination with procedures and guidelines provides for the implementation and enforcement of a safe environment for our children, youth, and vulnerable adults.

II. POLICY AND SCOPE

A. Policy to Protect. The Bishop of the Diocese of St. Petersburg will make every reasonable effort to prevent sexual abuse of minors and vulnerable adults, and to respond promptly to all allegations of abuse where there is a reasonable belief that abuse has occurred. As such, the Diocese of St. Petersburg will comply with all obligations of civil and canon law and will promote healing where it is needed, provide education, training and guidance when it is appropriate, and endeavor to prevent any sexual abuse of minors and vulnerable adults with firm justice and mercy towards all. No person, including clergy, who has been determined to have engaged in sexual abuse of a minor or vulnerable adult, will be allowed to remain in active ministry. Such actions violate Christian principles and are outside the scope of duties and employment of all church personnel. The diocese will not tolerate such behavior. This policy applies to all diocesan entities to include parishes, schools, early childhood centers, and associated activities within the diocese.

Care will always be taken to protect the rights of all parties involved, particularly those of the person claiming to have been sexually abused and the person against whom the charge has been made. When the accusation has been proved to be unfounded, every reasonable step will be taken to restore the good name of the person falsely accused.

B. Policy to Respond to Allegations. The Diocese of St. Petersburg will respond promptly to any allegation where there is reason to believe that sexual abuse of a minor has occurred. The diocese will utilize an objective outside investigator to investigate any such allegations. The diocese will maintain a Victim Assistance Minister to coordinate assistance for the immediate pastoral care of persons who report sexual abuse incidents that occurred when they were minors by clergy or other church personnel. The procedures for those making a complaint will be readily available on the Internet via the Diocese of St. Petersburg website at www.dioceseofstpete.org and in printed form in English and Spanish.

C. Policy to Report. The Diocese of St. Petersburg will report an allegation of sexual abuse of a person who is a minor or vulnerable adult to the public authorities. The diocese will comply with all applicable civil laws with respect to the reporting of allegations of sexual abuse of minors and vulnerable adults to civil authorities and cooperate in their investigation in accord with the law of the state of Florida¹. The diocese will cooperate with public authorities about reporting cases even when the person is no longer a minor. In every instance, the diocese will advise victims of their right to make a report to public authorities and support this right.

Call in all mandatory reports of abuse to the statewide toll free abuse and neglect registry at 1-800-96ABUSE, to the local Department of Children and Families (DCF) or to the local law enforcement agency.

D. Policy on the Diocesan Review Board. The Diocese of St. Petersburg Diocesan Review Board functions as a confidential consultative body to the bishop. The majority of its members will be lay persons not in the employ of the diocese in accordance with *Essential Norms for Diocesan/Eparchial Policies Dealing with Allegations of Sexual Abuse of Minors by Priests or Deacons, 2002*. This board will assist the Diocesan Bishop in assessing allegations and fitness for ministry, and will regularly review Diocesan Policies and Procedures for dealing with sexual abuse of minors and vulnerable adults. Also, the Board can act both retrospectively and prospectively on these matters and give advice on all aspects of responses required in connection with these cases.

E. Policy on Removal of a Priest or Deacon from Ministry. Sexual abuse of a minor by a cleric is a crime in the universal law of the Church (CIC, c. 1395 §2; CCEO, c. 1453 §1). The Congregation for the Doctrine of the Faith (Motu proprio, *Sanctamentorum sanctitatis tutela, AAS, 93, 2001*) has reserved this jurisdiction because of the seriousness of this matter. Even after a single act of sexual abuse of a minor—whenever it occurred—which is admitted or established after an appropriate process in accord with canon law and the *Essential Norms*, the offending priest or deacon is to be permanently removed from ministry and, if warranted, dismissed from the clerical state. If an allegation of sexual abuse of a minor is made against the bishop, the Apostolic Nuncio shall be notified and the investigation shall proceed according to his direction.

The Diocese of St. Petersburg will follow the requirements of the universal law of the Church and the *Essential Norms* approved for the United States.

F. Policy on the Standards of Ministerial Behavior. The Diocese of St. Petersburg will maintain standards of ministerial behavior and appropriate boundaries for clergy and for any other paid personnel and volunteers of the church in positions of trust who have the care, responsibility, and or supervision of minors or vulnerable adults.

G. Policy on Communications. The Diocese of St. Petersburg will be open and transparent in communicating with parish, other church communities, and the public about sexual abuse of minors and vulnerable adults within the confines of respect for the privacy and the reputation of the individuals involved.

H. Policy on Distribution. A copy of this policy will be distributed to all diocesan entities in printed form for posting to the general public. This policy will also be posted on the diocesan website at [www.http://dioceseofstpete.org](http://dioceseofstpete.org).

I. Policy on Background Screening. The Diocese of St. Petersburg will require that all church personnel and candidates for ordination undergo a Level 2 (FBI) criminal history background screen and must meet minimum standards of moral conduct.

All church personnel will be required to undergo a criminal history background screening conducted by the Florida Department of Law Enforcement (FDLE) every 5 years subsequent to the initial FBI background screening. Church personnel who move from one entity to another must be re-screened through the Florida Department of Law Enforcement criminal history database system.

J. Policy on the Diocesan Safe Environment Program (SEP) and SEP Training. Under the auspices of the Safe Environment Program Office, which is responsible for the oversight, operation, maintenance, and enforcement of the Diocesan Safe Environment Program, the Diocese of St. Petersburg will require SEP training of all church personnel. The Safe Environment Program Office will conduct training and education in cooperation with parents, civil authorities, educators, and community organizations. It will require education and training for children, youth, parents, ministers, educators, volunteers, and others to make and maintain a safe environment.

The Diocesan Safe Environment Program Office is also responsible for maintaining a central database that will track the training and background screening status on all program participants.
