

Thank you!

Topper's Creamery would like to congratulate Nativity Catholic School for its many years of providing excellence in education and particularly for all the students' great achievements during the first trimester.

In turn all the students of Nativity say a giant "Thank You!" to Toppers Creamery and the Sausaman family for donating 800 cards for free ice cream treats for all the school children and 300 certificates of merit to help them celebrate their accomplishments!
