

WELCOME ALUMNI

Our NCS Alumni are very important to our school!

We would like you to share your news with our Nativity community and help to build our website page. This is your opportunity to update information, find old friends and communicate with the members of the Alumni.

A form has been created for you to send us information. Just click on the link and share some information with us! Please feel free to use this form to email us about any births, deaths, marriages and your successes and we will put it on the alumni link.

Thank you for being a wonderful part of Nativity Catholic School!
