

Parent's Study Circle

Do you often feel that the challenges you face with your son or daughter is unique to your family? They probably aren't. This is one reason it is important for adults to talk and learn together as their children move through elementary, middle school, and into high school.

Full Esteem Ahead has developed discussion guides for parents on the following topics:

- Raising Our Sons
- Raising Our Daughters
- Understanding Kid's Social Lives and Bullying

Parent's Study Circle with Discussion Guide is sponsored by,
ETE (Empathy through Education) Committee at Nativity

Goals of the session include...

- Empowering parents with a wealth of new information about life for kids today in a highly condensed format
- Learn from experiences of other parents who often face the same challenges
- Create a social safety net for the kids by having multiple parents on the same page
- Connect adults to one another for insight and support

Morning & Evening Sessions will be held at:

Nativity Catholic School

Day & time to be determined by each group.

Kickoff sessions will be in September 2007

Cost: \$45.00 per person for materials

-----ETE (Empathy through Education) Committee ---Response Form-----

Name: _____

Grade of child(ren) _____

Address: _____

City: _____ State: _____ Zip: _____

Indicate which study circle you are interested in attending by checking the **BOX above.**

Home Phone# _____

Please indicate below which DAY you can attend and advise AM or PM session.
