

## Cafeteria News

The Nativity Catholic School cafeteria would like to welcome all students and parents to the 2010-2011 school year. Our monthly lunch menu is posted on the Nativity school's website.

For the first few weeks in August, lunch will not be ordered online. We ask that you order either daily or weekly. The price of lunch will remain the same at \$3.00.

Daily: Kindergarten through Second grade, please note on an envelope your child's name, grade and what your child would like for lunch. Please enclose cash or check in the envelope.

Grades Three through Eight will purchase lunch from the cashier located outside the Media Center. The cashier will begin selling lunch tickets at 7:30 AM and will end at 7:55 AM. **All students must be in his/her homeroom class for Morning Prayer which begins at 7:55 AM.** Please have your child to school early enough to purchase a lunch ticket.

Please check the school's website for further details regarding the start of the monthly online ordering.

Should you have any further questions, please feel free to contact the cafeteria anytime.

Thank you,
