

CAFETERIA NEWS FOR 2011-2012

The Nativity Catholic School cafeteria staff would like to welcome everyone back for the 2011-2012 school year. We look forward to seeing all the children during their lunch period. As we prepare for an exciting new year of lunches we would like to bring to your attention a few changes that have been made for the school year.

For the first two weeks of school, lunch will be ordered on a daily or weekly basis at the cash register. If ordering for the week, please have your lunch order written down. Please check the menu for lunch prices.

Daily: Kindergarten through Second grade, please note on an envelope your child's name, grade and what your child would like for lunch. Please enclose cash or check in the envelope. The lunch money is then given to the teacher or assistant.

Grades 3-8 will purchase lunch from the cashier located outside the Media Center. The cashier will begin selling lunch tickets at 7:30 am and will end at 7:55 am. Please have your child to school early enough to purchase a lunch ticket.

Forgotten or misplaced lunches: If a child forgets a lunch or money to purchase one, he will be offered two options which may be charged; these are either a hot dog or peanut butter and jelly sandwich, both lunches will be served with a fruit and a drink. This policy is necessary for efficiency planning and bookkeeping purposes. Once a student has charged three times, the family will be required to put money in an account for future charges.

We would like to encourage all families to use Nativity's orgs-online ordering system. The online prices will be slightly lower than ordering in the morning at the cash register. Payment can be made on line or a check can be sent to the cafeteria. Instructions for Orgs-Online are posted on the Nativity web site under lunch room.

Should you have any questions or need assistance in setting up your account, please feel free to contact Nancy Miller @ 654-0549.

We always need parents to volunteer in the lunchroom. Please consider volunteering at least one day per month. With help from our parent volunteers we are able to have smooth lunch periods for all of our children. School Service Hours can be earned!

Thank You,

Cafeteria Team
