

STATE OF FLORIDA
SCHOOL
IMMUNIZATION AND MEDICAL REQUIREMENTS

All students entering Nativity Catholic School must have a student Health Exam Form #3040 (yellow), Immunization card #680 (blue), and an [Emergency Medical Form](#) on file in our office upon entering school. The exam and immunization forms are supplied and filled out by your health care provider. **The Emergency Medical Form is on our website and must be completed and returned to the school office after July 1st and before August 1st.**

Students transferring within the State of Florida from another school to Nativity have two weeks to supply our school the completed forms. Students entering Nativity from outside the State of Florida must have the forms in school files before the first day of attending class at Nativity. Students entering, attending, or transferring to preschool in the State of Florida must have completed the Hepatitis B Series and Varicella vaccine. (64D-3.011, FA.C)

IMMUNIZATION GUIDELINES

EC-3 and EC-4

All children entering the early childhood program at Nativity Catholic School must have a Student Health Exam form #3040 and Immunization Card #680 in school files before the first day of school. **If your child has not yet completed their required immunizations for kindergarten, your health care provider will fill in the Temporary Medical Exemption Part B (on #680) and note an expiration date for you to return for your child's next visit.** This date indicates when your card will expire and you must supply the school with a current in force card from your health care provider.
