

August 24, 2009

Dear Parents,

Tomorrow your child will be bringing home three required medical forms to be filled out by the parent. These forms are in addition to any other medical form/forms that you have filled out this 2009-2010 school year.

Please leave the three medical forms stapled and return all three forms filled out in their entirety to your child's teacher by **Monday, August 31**. Please know the third medical form is for students who take non prescription and prescription medicines. If your child does not take either, you will only return two of the medical forms.

The first homeroom class who turns in all medical forms will receive special recognition.

If you have any questions, please contact me at 689-3395.
