

Beginner Band

Tuesdays and Thursdays

3:00-4:00

Music Room

Interest Meeting: Thursday, September 8, 2011

3:00-4:30 in Music Room

**After the meeting students will be walked to the North Carline to be picked up.
Any student not picked up by 4:45 will be escorted to Extended Day.**

Ever wanted to learn a musical instrument? Never thought about playing an instrument? Why not find out for sure? Nativity's after school band is a great opportunity to do so. Students in 6th-8th grade will have the opportunity to try out many different instruments, pick one, and as a group, learn to play his or her instrument of choice.

During the interest meeting students will have the opportunity to try out all of the instruments listed below and decide which instrument may be of interest to them. Why not come and find out if band is for you? It never hurts to try something new!

This band is FREE to join: however, since the band program is in the beginning stages, most students will have to provide their own instrument. Instruments can be rented from local music stores such as "A Plus", "Music Showcase", "Don Banks Music" or "Roydon Music" for approximately \$15 a month. Phone numbers and addresses for local music stores will be handed out at the interest meeting.

The following instruments will be used in the band program: flute, clarinet, oboe, alto saxophone, tenor saxophone, baritone saxophone, bassoon, trumpet, trombone, french horn, baritone/euphonium.

If you know of anyone willing to donate any of the above instruments or have any questions, please contact Miss Kelly at musicteacher@nativitycatholicschool.org or call 813-689-3395.
