

At Nativity's School Thanksgiving Mass on November 24th, 7th graders brought up to the altar, along with the gifts, baby items to donate to Respect Life. During the month of October, which is Respect Life Month, the whole school collects baby items to

donate. From diapers, to toys, to baby formulas; hundreds of items were collected. The 7th grade ministry is respect life, and this is just one of the many things the seventh graders do to support this ministry. Kevin Bradberry and Lupe Gladu were at the mass to collect the items and thank the school for all their donations. Mr. Bradberry thanked the students and quoted Pope John Paul II "I do not hesitate to proclaim before you and before the world that all human life-from the moment of conception and through all subsequent stages-is sacred, because human life is created in the image and likeness of God."
