Faculty Spotlight

Mrs. Kathleen Power-Fourth Grade Teacher

Nativity Catholic School has been blessed for twenty years to have Mrs. Kathleen Power on board as part of our faculty & staff. Not only is Mrs. Power a dedicated teacher who has touched the lives of children in Extended Day, Early Childhood, and the Intermediate grades here on campus, but she also gives her time and talents back to the community. Mrs. Power lives beautifully the Christian values she teaches her students each day.

Mrs. Power received her BA in Sociology at the University of Maryland and her Early Childhood teaching certificate from the University of South Florida. She is also certified to teach K-6 and is currently finishing up a Masters Degree in Special Education.

Mrs. Power is a world traveler who has visited Spain, France, Germany, Poland, Saudi Arabia and Afghanistan. She has a special love for language, having a

background in German, French, Dari and Sign Language. Mrs. Power has been strongly influential in the integration of sign language into both our curriculum and our school liturgies here at Nativity.

Mrs. Power's three children, Jaime, Justin and Jake are Nativity Alumni; the newest generation of Power children and future alumni includes six granddaughters and one grandson who lovingly know Mrs. Power as their Mimi..

Nativity has provided a spiritual home for Mrs. Power since in 1987. Here she and her family serve the homeless. Mrs. Power believes in coming out of her comfort zone to help others and feels that God continues to lead her in service to others. She says that she feels blessed to bring joy to the very poor.
