4th grade parent to teacher---***"It's no surprise how your enthusiasm has engaged the kids. Science is my daughter's favorite subject this year; I'm sure that is greatly due to your presentation skills of the subject matter!"***

3rd grade parent to teacher---***"You go over and beyond for students and that means a lot to both the students and their parents!"***

3rd grade parent to teacher---***My son sharing with a friend... "I have the best teacher ever!" When Dad heard this and asked him why that is...our son responded "she makes school and learning so much fun and she gives us M&M's!"***
