

Congratulations!

The boys Varsity team had an outstanding year. They remained undefeated in 18 games and placed first both in their league and in the CYAA Tournament. This year's team had the best offensive team, averaging 58 pts a game and the best defensive team Nativity has ever had, holding opponents to only 24 points a game! Our theme for the season was BELIEVE, we set a goal, and then worked hard to accomplish what we set forth to do. Congratulations go to all of the athletes, who remained focused and worked hard during every practice.

Six of our student athletes were asked and honored to play in the CYAA All Star basketball game.
