Signing Up For Activities

To sign up for an activity:

1. Log on to MyVolunteerPage.com
2. Click on the **Sign-Up** tab
3. If desired, filter the activities by whether or not you are Qualified, Generally Available (according to the availability specified in your profile), already listed as Signed up (available), already Assigned, or already on the Backup List.
4. Click on the [link](#) to the desired activity to sign up as available:
 - a. If there are more than 20 shifts listed, you can also filter to show only shifts for specific dates and start times
 - b. You will see the date, start time and end time for each shift of a scheduled activity. The “Overlap” column will indicate whether or not you are already assigned to another scheduled activity that overlaps with the shift of this scheduled activity. If your organization has enabled the feature, you will also see the “Openings” column. This shows you how many positions are currently open and the total number of volunteers needed for the shift (example: 2/5).
 - c. For each shift you would like, click in the “Sign Up” checkbox beside the desired date. If the activity is unscheduled or seasonal, click on the [Sign Up] button.
 - d. If the activity is full (i.e. there is no space available), click on the link [Add me to the back-up list in case you ever need extras](#) at the bottom of the screen. (If necessary, you can return here to remove yourself from the back-up list.)
5. For scheduled activities, click on the [Save] button at the bottom of the screen. Depending on how the administrator set up the activity, you will either be assigned to it immediately or placed on a list of available candidates for the shift.

To sign up for another activity, scroll to the top and click [Back to activity list](#) and repeat the steps above.
