From: Nativity Catholic School

RE: Parish Verification Form

- This form is to be completed if you are a registered member of another Roman Catholic Church and not a Nativity Catholic Church registered member.
- Please complete the portion of this form with your family information.
- Then, return the form to your parish office where you're seeking verification. This information will be verified by your Pastor and will determine the rate of tuition for your student(s).
- Your parish representative will complete the questions regarding envelope usage and attendance at Mass.
- **Please ask your parish to mail the verification form to Nativity Catholic School Finance Office.** Once we receive the verification form from your parish, we will issue you a letter indicating the rate for which you have qualified.

Thank you.

Catholic Parishioner Requirements

Nativity Catholic School's primary concern is with your child's faith formation. The faith formation of the children is best served when your family participates in Mass each weekend, lives the faith at home, and is active in the life of the parish. To this end, priority for any kind of financial assistance is given to those families who are active parishioners of a Catholic parish. This is demonstrated through weekly Mass attendance and the exercise of good stewardship: sharing of our time, talents and treasures. Weekly participation at Mass is verified through the use of the offertory envelopes. The sharing of our time and talent means participation and involvement in the life of the parish and its various ministries. The sharing of our treasures means that we actively participate in parish sponsored tithing based on your prayerful consideration and ability. The amount placed in your offertory envelopes matters not; we simply ask that you use the envelope for attendance verification.

In order to receive this consideration your family must have been registered in a Catholic parish for at least three months and you must show consistent attendance at weekend liturgies as indicated through the use of the offertory envelope. If you do not meet these criteria, any discounts or aid available may not be applied. Once you have met the criteria, you simply need to reapply once a year prior to the start of the new year's tuition payment schedule.
