

# NEXPL<sup>ORE</sup> Nature Watch

*Environmental science comes alive with Nature Watch™ at Nativity Catholic School.*

Every Nature Watch™ activity kit brings the outdoors inside with a hands-on project designed to engage, enlighten, and enliven the learning process. Each course covers one important topic, like animals, ecosystems, climate, and more! Kits are fully aligned to NGSS, advance 21st century science education and are mapped for STEAM extensions.

**plus**

All kits include a craft so each participant can "make and take" their project home!

**\$200**
